Artist Statement

I am Nancy Melendez, a writer and a storyteller dedicated to demonstrate a recollection of what its like belong in a Mexican American culture and heritage. Through my work, I aim to unveil the vibrant tapestry of experiences, emotions, and traditions that displays the Mexican American cultural blends. As a member of the generation that straddles the line, understands both worlds, I find inspiration in the famous phrase, “Ni de aquí ni de allá,” which translates to “Neither here nor there.” In my art, I aspire to convey the intricate blend of identities. I want people to see what I see through my creative journey. I want to build a bridge, connecting the past and the present, in hopes of inviting others to join me in this exploration and inspire those who, like me, have grown up at the crossroads between The Mexican and American border.

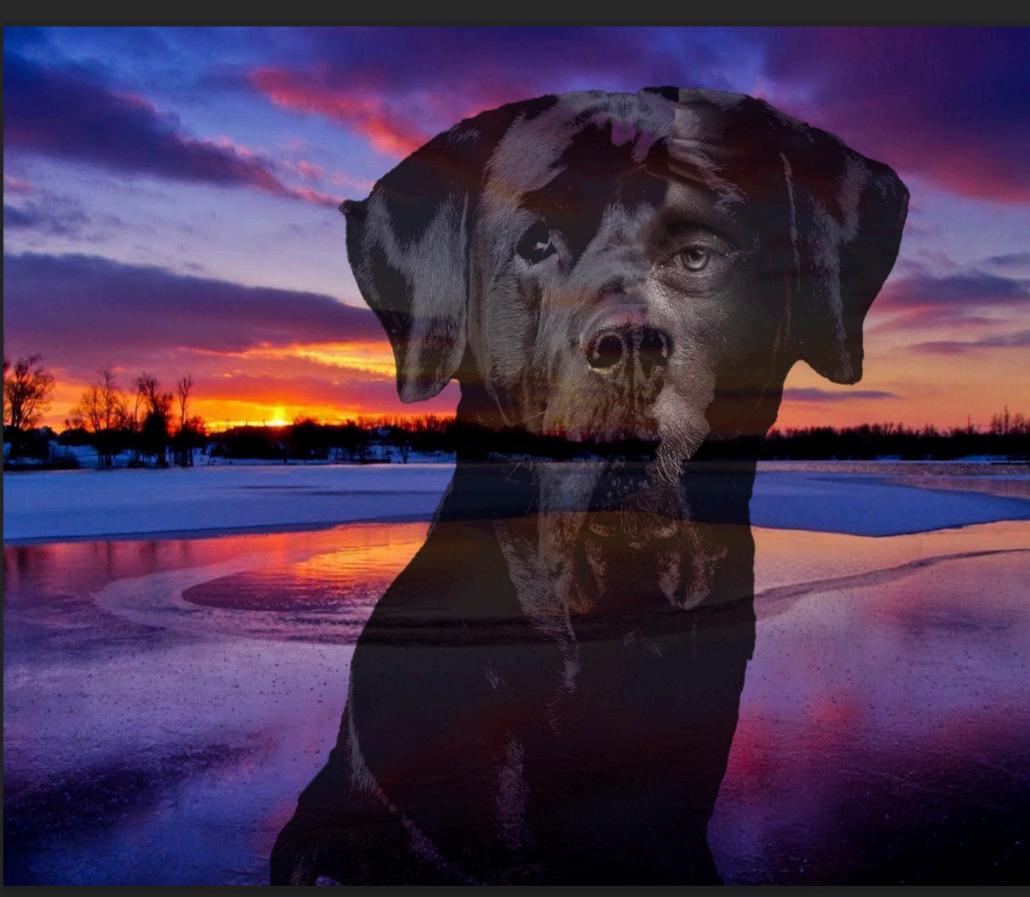

This is my art progress !

Progress I have made throughout the year. As writer I discovered the term writers block. When I can't explain what I want to say sometimes it easier to demonstate what I want to communicate through images, drawings and short films.

Where do you see your self in 6 years?

Queridos [Nombre de supervisor] MAMA Y PAPA

I am writing to inform you that I have decided to resign from my position as your CEO of Mama y Papa. My last day off will be TODAY. I want to take this opportunity to thank you and the entire team for the valuable experience as a Translator, Accountant, Caretaker, and the support provided during my time. Like pops says "A roof over my head." I have thoroughly enjoyed working here (being your daughter). However, I have decided it is time for me to move on to my next challenge. I would like to do anything I can to help with the transition, including wrapping up my responsibilities and training other team members. If I can be of any other assistance during this time, please let me know.

This my letter of resignation

Como dice papá "Un techo sobre mi cabeza" Disfruté mucho trabajando aquí (siendo su hija). Sin embargo, he decidido que es hora de pasar a mi próximo desafío. Me gustaría hacer todo lo que pueda para ayudar con la transición, incluso cumplir con mis responsabilidades y capacitar a otros miembros del equipo. Si puedo ser de alguna otra ayuda durante este tiempo, hágamelo saber. Esta es mi carta de resignación
